ACF 2026

“Concrete Intelligence –
Designing a Greener, Safer, Smarter Asia”

The 11th International Conference of the Asian Concrete Federation
October 14 – 17, 2026 | Taipei, Taiwan

WHY ATTEND ACF 2026

The Asian Concrete Federation (ACF) was established in 2004 to promote the understanding of concrete structures and provide services to concrete societies in the Asian region. The 11th International Conference of Asian Concrete Federation (ACF 2026) will build upon the success of previous conferences since 2004. **The theme of ACF 2026, “Concrete Intelligence,” embodies the integration of sustainability, resilience, and digital transformation** in modern infrastructure. We warmly welcome experts to Taipei to exchange innovations and collectively advance toward a greener, safer, and smarter future.

Past Conference:

7th: Hanoi, Vietnam (2016)

8th: Fuzhou, China (2018)

10th: Ulaanbaatar, Mongolia (2024)

11th ACF 2026 returns to Taipei to continue this legacy
